

Christmas Tree Festival 2020

(the fundraising must go on!)

Dear Friends of the Christmas Tree Festival:

With heavy hearts, we must announce the cancellation of this year's events. For the past 14 years, St. Mary's Guild of St. Stephen's Episcopal Church has hosted this beloved event. Although we are unable to gather in person this year, our mission to raise funds is more important than ever. In lieu of attending the Wassail Party, or the Christmas Tea Luncheon, you are invited to give a donation as described on the enclosed response card.

Additionally, we offer a fabulous opportunity to participate in the festival's drawing. To be eligible, your donation must reach us by **November 30**. The winners will be announced in a virtual presentation held Saturday, December 5 at 11:00 am on "Friends of St. Stephens" Facebook page.
